SparkNotes: The Metamorphosis: Study Guide

Gregor Samsa, a traveling salesman, wakes up in his bed to find himself transformed into a large insect. He looks around his room, which appears normal, and decides to go back to sleep to forget about what has happened. He attempts to roll over, only to discover that he cannot due to his new body—he is stuck on his hard, convex back.

Kuper has adapted short works by Kafka into comics before, but here he tackles the most famous one of all: the jet-black comedy that ensues after the luckless Gregor Samsa turns into a gigantic bug. The story loses a bit in translation (and the typeset text looks awkward in the context of Kuper's distinctly handmade drawings).

1. The illustration in The Metamorphosis is pretty cartoony. There's quite a bit of detail at times, but it still feels stark. There are a lot of rough edges and all the shading makes it feel heavy and gritty. It almost reminds me of the artistic style in Road to Perdition, but The Metamorphosis feels a lot darker and more oppressive. The ...
